DC-2022/DCCI Estate/ Car Parking/339

Tender Notice for the appointment of Engineering / Architectural Design Consulting Firm for ground-floor car parking development.

The DCCI Authority has decided to remodel its ground floor with a Car-Parking zone & other works ($\pm 10,000$ sft.) at 65-66 Motijheel Commercial Area, Dhaka-1000.

Accordingly, the DCCI is seeking experienced engineering/architecture companies who are experienced in remodeling, are hereby invited to place a proposal for the architectural, structural and technical design & drawing consultancy in the tender box by 30th May 2022 at 4:00 pm which has been kept at DCCI Secretariat, 4th floor (Estate department).

Scope of Works:

Eligible bidders may propose consultancy service proposals including architectural, structural and technical design-drawing mentioning the following scopes and any other scope related to this:

1. Floor Rising-Leveling, for rainwater protection,
2. Maximum car parking facilities including a stacking system (if possible),
3. Repositioning of ± 1250 KVA dry type/oil type transformer including HT< switchgear, PFI, earthing, cabling, etc,
4. Re-installation of existing 3 Diesel Generator,
5. Re-arrange the sewage-sanitary plumbing system,
6. Ground floor sewerage drainage pit-line,
7. Upgrading existing service system,
8. Upgrading utility and security system,
9. Upgrading Fire Fighting System as per BNBC,
10. Maintaining floor rising and to be scheduled effected components as well,
11. Face lifting both North & Southside up-to 1st floor including placing signboard,
12. Electrical development /up-gradation including MDB, SDB, etc.

In order to successfully upgrade and remodel the Ground floor, all synchronized drawings pertaining to this must be submitted. All necessary materials including finishing materials must be written in the BOQ and Tender Documents.

Participants must have at least 3 previously completed remodeling works. Before and after pictures must be provided along with the tender or else the submission will be deemed incomplete.

In order to participate, an Independent Analysis should be done by each tender bidder prior to the submission of the tender. In order for a site visit, please contact the Joint Executive Secretary – 01715784718, 01554517176 for any information/clarification by May 15th, 2022 at 4:00 pm.

Terms & conditions:

1. Request to submit the proposal in time. No offers will be received after the scheduled date and time.
2. Need to submit a complete technical and consultancy service offer of the project and a company profile including experience in similar works as well.
3. Have to submit the drawings and other offers as per the BNBC Code 2016.
4. VAT & Tax will be deducted as per govt. rules.
5. No fees are required for the submission of tender.
6. DCCI authority preserves the right to accept any or cancel all tenders without assigning any reason whatsoever.
